

CensusAtSchool

Activity **CaSEco50 THE RANCH**

The data used in the tables below were taken from the 2008 CensusAtSchool Random Sampler.

The sample consists of 200 students, at Year levels 7 to 12 and is taken from across Australia (postcode range 0000 - 9999).

The data in the tables below were taken from the CensusAtSchool Random Sampler. Variation will occur between samples and you can expect data from each random sample to be different from any other sample.
